### SUMMARY

I am a fresh graduate of UPN Veteran Yogyakarta with a bachelor's degree in Informatics and graduated with a GPA of 3.62. I am skilled in web programming (HTML, CSS, Javascript, PHP, React.js, Vue.js, and Codeigniter) with certification. I am excited to apply my knowledge in a Web Developer Intern role. Easily adaptable, constantly learning, and passionate about contributing to the technology industry. I am looking for opportunities to apply my skills and interests in software engineering. In college, I was active in the Informatics Muslim student community as a leader, where I assumed leadership responsibilities at the departmental level.
